

Dear Surfside Pavers,

Just wanted to thank you for the excellent job on our pool coping and paver deck. The pavers were just as important if not more important to us than the pool itself.

We have had a lot of company here lately and everyone says it is the most beautiful backyard they have seen.

Your crews were great, here on time and as neat and clean as anyone could hope for.

I would recommend SURFSIDE PAVERS to anyone. Please feel free to use my name and phone number to any of your clients.

P.S. Mr. Osman you are such a professional, thanks for all you did for us.

Sincerely,
Marty & Susan Martin
